Dear Member

Wow what a turbulent past two years we have faced as a society and as a membership. With the country moving forward and more facilities are opening back up, the board of directors are excited to start planning our 2022 events.

Though we were very limited in our abilities to bring you quality events last year we were pleased with the two events we were able to have (even if it was with limited capacity).

Our picnic in the Summer was very well attended. Many of us were so happy to just be back out and about visiting again. It was so nice seeing so many out sharing stories and catching up.

Our Christmas party was also packed with holiday cheer. In fact, we had so many last minute additions that we had to add extra seating to the venue. We understand that this may have caused some supply shortages with food, and we do apologize for this. However, this does serve as a reminder to please make sure you do RRSVP in advance so that there is ample food for all.

Thank you to all that attended our two events last year. We do appreciate your support.

Looking ahead to 2022 we are excited to get planning for more member events. First up our annual members meeting.

Our meeting will be on March 27th from 1-4 pm with doors opening at 12 pm at the Fogolar Furlan Club (room location will be posted on outside of building day of)

This meeting will be an election of our board. Since we have not had a meeting in two years the following positions are all up for election.

- President
- Treasurer
- Corresponding Secretary /Membership
- Vice President
- Recording Secretary
- First Director

If you are interested in a position or nominating someone for the position, please be sure to attend and put your nomination forward.

We would also like to thank all our wonderful volunteers who have helped so much over the years. Without your support many of our events would not be able to go on.

We hope to see you out at this event and look forward to your help in planning for the future of our club.

Sincerely, Teutonia Club Board of Directors
