

Kirchweih

Celebrated by Shwobs for over a hundred years, Kirchweih honours the village church with traditional dancing, poems and attire. Kirchweih is special from village to village as activities such as the auction of the rosemarine would be based off of local culture. Even the date of the celebration would differ depending on the feast for the village's saint or the construction of the church.

Stories to Remember

The Teutonia club is looking for volunteers to share their stories and experiences from life in Germany, the war, immigration to Canada to name a few. Share your tales with the youth of today and generations to come! Let us be thankful for what we have in the present, and educated for the future. Sign up with a member of the board if you are interested in documenting your history via video or audio interview.

Lest we forget...
